

Since 1984

Osman Group of Industries

Here, where your
dream begins

Let's have a look

Message

Osman Group of industries proudly presents itself as leading companies in manufacturer and exporters of Garments, Textile and Spinning in Bangladesh. The humble journey started in 1984 with a garment manufacturing unit that is Russel Garments and within a short period by the grace of Allah our company enrolled with backward linkage facilities, subsequently washing, spinning, sweater, embroidery, yarn dyeing and Zipper. Diversity has been group's source of strength.

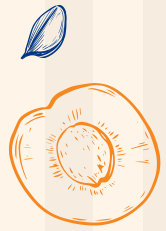

Osman Group of industries now takes to its wing a sweeping wind generated by the units of diverse industrial entities down under its trend setting enterprises providing industrial employment for nearly 12000 workers.

Thank you

Our CSR Activities

Fair Price Shop”Pushti Shop”:

Fair price shop is a store that provides essential goods like food, toiletries, and household items to garment factory workers at discounted prices compared to regular retail shops.

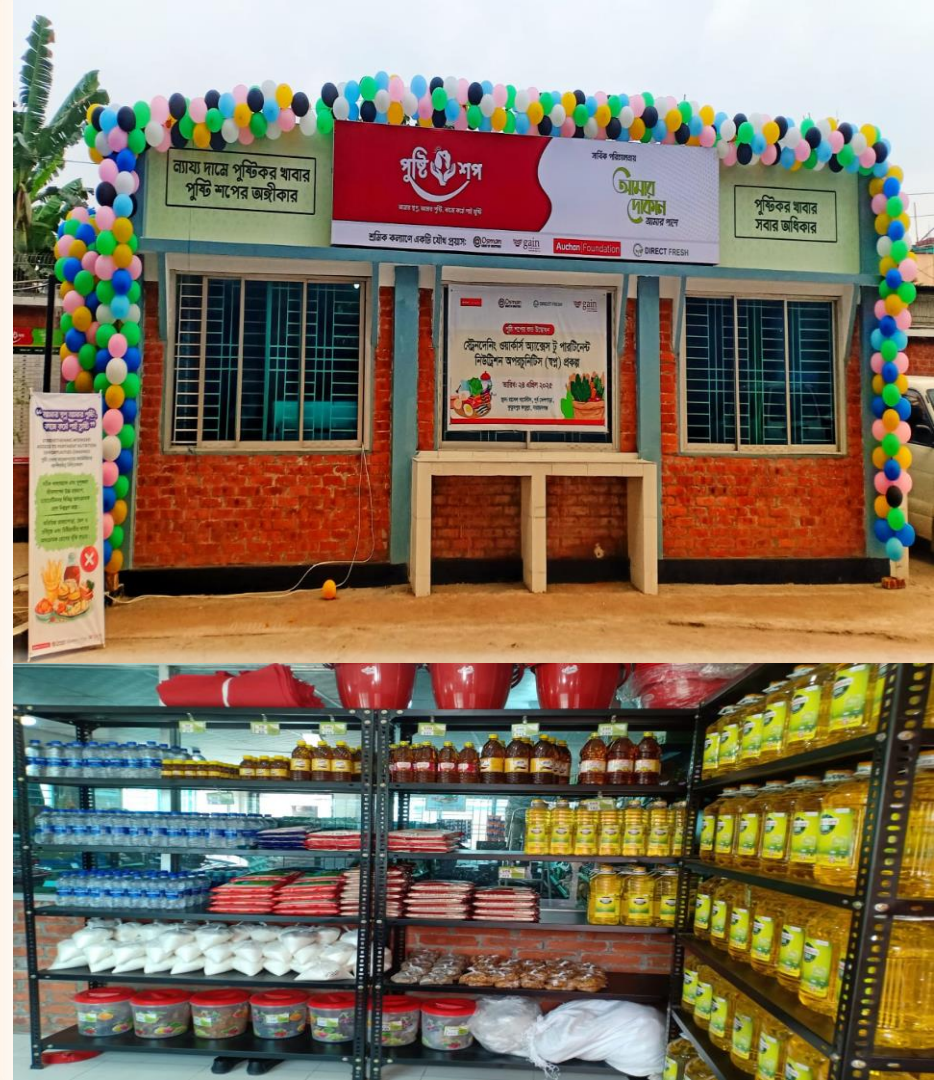

We Osman group of Industries started and named as “Pushti Shop” “Pushti Shop” provides everyday commodities at subsidized prices ranging from 5% to 20%. The daily items from nationally and internationally recognized brands, including categories of food, cooking oil, toiletries, house-keeping, tea , beverages, and so on.

“Pushti Shop” was initially launched in Russel Garments (Unit-2) a sister concern of Osman Group where Garments operations are taking place. We are working to establish this chain to all other factories of Osman Group of Industries.

It is really very helpful for the workers that they are able to buy a variety of good quality daily necessity products from “Pushti Shop”.

The product price is really very low compared to the market with the added benefit of buying **on credit.**”

The most important benefit that this fair shop provides is creating better bonding between employee and employer of Osman Group of Industries.
